Can you recommend a good Vehicle Fleet Card Company?

Shell Fleet card is who we use. (Atlanta) (Killeen)

We have Murphys fleet (New Boston)

Brazoria County uses Fuelman. Not sure how good they are, but accepted at a wide variety of places. Buc-ee's accepts it and they are everywhere here, so we have no issues in that aspect.

We use Valero Fleet Services and are very happy with the billing and the fact that they deduct the taxes on the statement. (Ingleside)

Valero (Kenedy) (Luling) (Schertz)

For fuel, we use Exxon Fleet services. It gives a pretty good discount. (Mt. Pleasant)

Newton PHA uses with taxes exempt thru Shell, Conoco and Exxon

We use Quicktrip. Good reporting and ACH payment capability. Also, lots of gas stations in our area. (Plano)

We use Chevron/Texaco (Smithville)

I recommend Wight Express also called 76 or WEX Bank (SPRHA)

Stripes—Very good in logging mileage at the pump. Seems to be Stripes gas stations across the state of Texas. Phillips66/Conoco—Can't always find a gas station in certain parts of Texas. (Texas City)

Home Depot has one now. We just signed our business up.
