

Interested in doing more business with Housing Authorities in Texas?

The Texas Housing Association (THA) is the largest statewide organization in Texas and perhaps the largest state association in the country serving Public Housing Agencies and Authorities (PHAs). Of the approximately 400 PHAs that administer the public housing and/or the Housing Choice Voucher rental assistance programs, almost 100% are THA members. In addition to our regular agency membership, we offer a Vendor Membership for **\$300** to vendors and consultants who are doing business with or are interested in doing business with PHAs.

Once you are a Vendor Member, we offer a number of ways for you to gain name and product recognition with PHAs.

- ◆ Advertise in the annual PHA directory which is distributed to all members as well as the HUD offices
- ◆ Receive first copy of the PHA directory at no cost
- ◆ Contribute to a quarterly newsletter devoted to showcasing our Vendor Members and their products and/or services
- ◆ If you have a website, we will provide a direct link from our THA website so that PHAs looking for a particular good or service can get immediate information about your company and/or product
- ◆ If you choose, participate on our Conference Committee to help plan our tradeshows and increase networking opportunities with PHAs
- ◆ Receive referral advantage when PHAs call the THA office for information on vendors
- ◆ Receive discounted Exhibitor registration at our annual conference and tradeshow. The 2025 conference is scheduled for Round Rock, Kalahari Resorts & Conventions, August 19 - 21. Mark your calendar now and plan to join us! Since you are on our vendor mailing list, you will receive detailed exhibit information approximately 3 months prior to the conference.

We look forward to working with you on your marketing needs while at the same time helping our own programs. Our membership year is a calendar year beginning on January 1. Our annual directory, which contains ads of our vendor members, will be published in February/March.
